RTS Intercom Systems shows the EKP 32 CLD Color Display Expansion Panel at InfoComm 2009, Booth #6100

June 17, 2009, Orlando, FL RTS is proud to show the EKP 32 CLD, an expansion panel for the KP 32 CLD color display keypad. The expansion panel adds 32 keys to the KP 32 CLD. The EKP 32 CLD includes the same intuitive color graphical interface as the KP 32 CLD, and also features one-touch volume adjustment and contemporary styling.

“The EKP enhances the CLD keypad line.” explains Christian Latzelsberger, Senior Product Manager for RTS Intercoms worldwide. The EKP 32 CLD doubles the number of easily accessible destinations and features (such as triggering relays etc), thus enabling greater user productivity.

###

The Bosch Group is a leading global supplier of technology and services. According to provisional figures, some 282,000 associates generated sales of roughly 45 billion euros in the areas of automotive and industrial technology, consumer goods, and building technology in fiscal 2008. The Bosch Group comprises Robert Bosch GmbH and its more than 300 subsidiaries and regional companies in over 60 countries. If its sales and service partners are included, then Bosch is represented in roughly 150 countries. This worldwide development, manufacturing, and sales network is the foundation for further growth. Each year, Bosch spends more than three billion euros for research and development, and applies for over 3,000 patents worldwide. With all its products and services, Bosch enhances the quality of life by providing solutions which are both innovative and beneficial.

The company was set up in Stuttgart in 1886 by Robert Bosch (1861-1942) as "Workshop for Precision Mechanics and Electrical Engineering." The special ownership structure of Robert Bosch GmbH guarantees the entrepreneurial freedom of the Bosch Group, making it possible for the company to plan over the long term and to undertake significant up-front investments in the safeguarding of its future. Ninety-two percent of the share capital of Robert Bosch GmbH is held by Robert Bosch Stiftung GmbH, a charitable foundation. The majority of voting rights are held by Robert Bosch Industrietreuhand KG, an industrial trust. The entrepreneurial ownership functions are carried out by the trust. The remaining shares are held by the Bosch family and by Robert Bosch GmbH.
